Do you have a teen 14-19 years old?

If so, you and your teenager may be eligible to participate in a research study. It aims to understand the social lives, stressors, and thought processes of teenagers.

Both the teenager and the parent will be compensated for participation!

Participants of this study will:
- Complete 4 office visits over one year
- Complete questionnaires and social tasks

Teens will also be provided with an Android Smartphone for at-home questionnaires.
