Are you pregnant?

Are you interested in talking about health and wellness?

- If you answered yes to these questions, and are not more than 16 weeks pregnant, you may be eligible to participate in a research study conducted by researchers at the University of Pittsburgh.

- This research study may involve meeting with a counselor at your doctor’s office before/after scheduled appointments and/or during the postpartum period.

- Participants will receive up to $250 for completing all of the study requirements.
